****Evangelical Presbytery Church of Milford and Pastor Ben Willis:** Grace and peace to you from God our Father and the Lord Jesus Christ! Below you'll find a link that, if you click on it, will take you to a folder containing all the materials needed for your home-Worship Service. Just click on the link, then double-click on the folder that will appear. Within the folder you'll find five song files, corresponding to the five songs that are a part the Service. You'll also find two video files: One with me sharing Announcements; and, one with me sharing this week's Sermon. Lastly, you'll find an additional copy of the Worship Service "script" that I sent out yesterday (Friday). The opening page of the "script" file tells you how to prepare for and conduct your home-Worship Service. Some of the instructions are also repeated in my Announcements video. May the Lord be with you as you worship Him in Spirit and in truth. Know that I am praying for you even today as you make your preparations and tomorrow as we all worship the Glory of Israel together. Here's the link. I send it in Jesus' love, Pastor Ben: <https://1drv.ms/u/s!AnFZq8mMciR19XI9HwtKsyP0Dimt?e=GYXNtM>
